### BROTHERS SHOT ACCIDENTALLY.

One of Them will Probably  
Die; the Other Will  
Recover.

BOTH ARE YOUNG MEN

Gun Was Exploded by Be-  
ing Struck With a Stick  
of Wood.

Wiley and Elliott Brown, brothers, aged respectively seventeen and nineteen, who reside near Lamasco, were accidentally shot Friday afternoon, and the former, it is thought, will die of his injuries. The young men were hauling wood. After the wagon had been loaded, one of the brothers who had a double barrel shot gun with him, placed it on top of the wood. The other brother, not knowing that the gun had been put in the wagon, threw another stick of wood on the load. The log struck the hammers of the gun and both barrels were exploded. The young men were standing close together and the double charge grazed the back of Elliott's head and entered Wiley's body. At last account Wiley was alive, but the wound is a very bad one and the chances for his recovery are considered slim. Elliott's wound, though painful, is not considered necessarily fatal.

Dr. McPherson

Has been preaching to capacity houses in Owensboro for a week. The results of the series of meetings are not given, but many additions to the First Baptist church, where the meetings have been held, are expected. A great mass meeting was held yesterday afternoon.

### THE REVIVAL SERVICES.

First Sermon by the Pastor  
of the Christian  
Church

EVANGELIST NOW HERE

Will Have Two Services a  
Day, at 3:00 and  
7:30 p. m.

Rev. H. D. Smith began a series of evangelistic services at his church last Sunday morning. The meetings will continue during the week and two services will be held each day, the hours being 3:00 and 7:30 p. m.

Sunday night Dr. Smith preached a most powerful sermon to a congregation that taxed the capacity of the house, it being necessary to use chairs in the aisles.

Miss Una Dell Berry arrived Saturday and organized a large chorus. The singing during the meetings will be under her direction. She has a strong and sweet voice and the musical feature of the services will be all that can be desired.

REV. L. E. SELLERS.

Evangelist L. E. Sellers, of Terre Haute, was expected to arrive yesterday morning and preach his first sermon yesterday afternoon at 3 o'clock.

Dr. Smith, at the close of his sermon Sunday night, announced that the meetings would come to a close Sunday night. It has been reported that Mr. Sellers could remain here only through this week, but that Dr. Crossfield, of Owensboro, would be here and continue the meetings for three or four days longer, but there is no prospect of this rumor proving true.

#### JOHN G. MORTON,

Hopkins County's Wealthiest  
Citizen Dies Aged 86.

The funeral of John G. Morton who died Thursday after a brief illness, was held in Madisonville at the residence of his daughter, Mrs. J. D. McPherson, Sunday afternoon at 2 o'clock, conducted by the Rev. Fowler, of the Christian church. The remains were laid to rest at Grapevine cemetery, one mile south of town, in the presence of the largest crowd ever seen at a burial in Hopkins county. The pall-bearers were Messrs W. J. Ruby, M. B. Rhea, C. O. Osburn, P. B. Ross, O. W. Waddill, F. O. Baker, C. L. Ross and S. D. Langley.

Mr. Morton would have been 86 years old on June 8th. He was the richest man in Hopkins county, his estimated wealth being \$650,000. Recently his fortune had been partially divided, each of his three children and the children of a deceased son and daughter being given a share of \$100,000.

#### ALL SMOKE

But a Lot of Fellows Got a  
Move On Themselves.

A fire alarm turned in Friday afternoon brought out the department in a jiffy, but there was no cause for action.

Roy Kenner, at Surface's grocery, and Ed Williams, whose saloon adjoins the grocery, noticed smoke working its way through the floors and were certain fire was raging somewhere, but after diligent search failed to locate it. The fire department ditto. Finally Chief of Police Roper went through to the back yard of West's bicycle house, fronting on 9th street, and discovered that Mr. West had been burning a big lot of excelsior that was piled against a wall. The smoke had been conducted through a flue under the floors of the two rooms. A high wind created a draught under the buildings, but as there were no sparks nothing caught on fire. Everybody about the building was right smartly scared and hustled around at a lively rate until the cause of the rooms' being filled with smoke was discovered.

#### COUNCIL MEETING

Several Important Matters  
Postponed No Special  
Meeting.

Ordinances Passed and Street  
Lights and Fire Plugs  
Increased.

The Council met Friday night with the Mayor and all of the councilmen present except Mr. Ware.

Three important matters were postponed till a special meeting next Friday night. These were the matter of revoking the saloon license of Henderson, Jones & Cannon; the consideration of the ordinance requiring the Cumberland Telephone to buy a franchise and the recommendation of the mayor that a license tax be placed upon concrete contractors, plumbers and other lines of business not now taxed. The preparation of an ordinance covering the latter subject was referred to a committee consisting of the Mayor and councilmen Davis, Twyman and Clark. The license of Bettie Diuguid, wife

of George Diuguid, who has been conducting a restaurant on Sixth street, was revoked, on the ground that the place was disorderly.

Chairman Twyman, of the special committee to purchase a street sweeper and a team, reported that the committee had performed its duty and the report was accepted and the committee discharged. The sweeper cost \$300 and is at the depot waiting for a man to come and set it up. The team, wagon and harness cost \$584.

The ordinance ordering down a curbing on the south side of E. 9th street east of J. T. Hanbery's, was given its second passage. Dr. Woodard reported an ordinance prohibiting wooden boxes, barrels, etc. on the streets as receptacles for garbage and waste paper, which was passed.

Street lights were ordered at Main and 19th street. Fire plugs were ordered in at 17th and Canton street and 4th and Campbell street and orders for the removal of several others were countermanded. Informality in the issuance of restaurant licenses for 1907 was corrected and all of the restaurants now running were granted licenses. The Fire committee was ordered to sell the old fire engine, which has been used for several years. It originally cost \$8500.

## TOBACCO

You are invited to visit my sales. Sales  
Every Tuesday and Friday.

LOOSE - SALES!

I report another busy week in selling and prices were fully as satisfactory as at any time this year. The demand is so great far beyond all supplies. It is generally a good idea to sell as soon as possible in season and I would advise my friends to wait until orders are withdrawn before selling. Prices now are satisfactory so what good reason is there for waiting longer? Some demands can not take your tobacco after it is priced, but all orders are on the Loose Floor. A hint to the wise is sufficient. There are six orders being filled on the Loose Floor that CAN NOT buy your tobacco if it is priced. Prices are fully up to the highest quotation for the year. Let me serve you.

Yours truly

why it restores the health of run-down,  
sick and enervated people is because it  
first throws out the poisons through the

### RAD MEN

#### Of Owensboro Roasted by the Daily Press.

Both the daily papers of Owensboro, the Messenger and the Inquirer, are after the foul-mouthed men who lounge on the streets of that city. The following editorial is clipped from the inquirer of last Thursday. The Messenger is equally unsparring in its condemnation of the vile habits of certain men:

There are some places in Owensboro where passing along the streets is very much impeded by men who congregate and talk, and they are not always very choice in the language they use and seem to care little for women hearing what they say. On Saturdays there is a crowd on the southwest corner of Third and Predice streets all day. It is almost impossible at times for a woman to make her way through the crowd, and at no time is it an agreeable corner for her to pass. The men who congregate there squirt tobacco juice all over the sidewalk until it is deep enough to wade, and poison enough to kill a toad. There are other points in the business section just as bad as the corner named.

### Circuit Court Cases.

On motion of the plaintiff in the case of the Cumberland Telephone & Telegraph company against the city of Hopkinsville, to recover \$900 of 1904 taxes, with interest, an order was made yesterday dismissing the case.

The jury in the case of Henry Tandy, col., against the I. C. road for alleged personal injuries sustained while in the employ of the company, returned a verdict for plaintiff for \$300.

In the suit of Wallace F. Boyd against Hester & Thompson for \$1,250 damages for alleged breach of contract in the construction of the roof of plaintiff's house, the jury awarded Mr. Boyd \$500.

His birthdays come by periods of four years each, with the exception of the ninth, which took eight years to bring about. Mr. Bishop says he has never been able to find any one who was born on the 29th of February, although he has been looking for such a person all his life.—Ex.

Hanson Penn Dittz, of this city, was born on the same day that Mr. Bishop was.

## HOG CHOLERA

### The Hog worm is the most Dangerous foe of the Hog

In almost every outbreak of cholera you will find the hogs very wormy. They get a hog out of condition and unthrifty. Then he is an easy prey to disease. The Snoddy Remedy will destroy every character of hog worm. Even the liver and lung worm, which are the most dangerous, are easily destroyed with the Snoddy Remedy. Ten cents worth of the Snoddy Remedy will clear out the worms and purify the blood of a hundred pound shoot, so that he will be worth one dollar or more in a few weeks than he would have gained without this remedy.

Can't you afford to invest ten cents per head to make your shoats worth a dollar per head more, than they will without this little investment? Then why waste time and feed on wormy runty hogs when it is easy to have them thrifty? It also prevents and cures Hog Cholera. Any practical farmer can stop the worst outbreak of cholera that ever came with it and restore his herd to thrift in a few days' time.

It is used and endorsed by the leading hog raisers of the country. Snoddy's free book on the care and management of hogs, so as to keep them thrifty and clear of cholera or worms, can be had by calling on The Planters Hdw. Co. Inc., Hopkinsville, Ky., and E. W. Stegar & Dixon, Masonville, Ky. They also keep the remedy for sale.

### R. and P. Minstrels.

The number of people who really live is small compared with the vast number that merely exist. Some people seem to think if they go to one minstrel show that they have seen them all and stop right there. Those are the people that just exist, nothing more.

In the larger cities it is common to meet the heads of families who in figuring on their daily, weekly or monthly expenses, figure that the theater is a necessary expense and a visit each week must be figured on. These people really live, and it is a noticeable fact that the same habit is spreading into the interior.

Go and see them all if you can afford it, if not pick out those that have the mark of age in their favor, those that have been before the public long enough to know just what you are getting. Richards & Pringle's Famous Georgia Minstrels that come to Holland's Opera House on Monday-night, March 25 will come near filling your expectations.

### Health in the Zone.

The high wages paid makes it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones, those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poison, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Hardwick, druggist.

Is the Stop in the Imperial Company's Factory

The Imperial Tobacco Co., which shut down last week, will resume business in a few days. The stop is only temporary, for the purpose of working up stocks on hand and receiving some large orders that have been kept away by the bad condition of the roads. The receiving force is still hard at work and the resumption of business will take place in a week or ten days. The Imperial has done a very heavy business this season and a breathing spell is necessary in the midst of the season. The season will not close for several weeks longer.

## Successful Farmers! This will Interest You!

The above cut represents Clark's Double Action Cutaway Harrow. This is truly a remarkable tool. The following statements in regard to it have been thoroughly demonstrated:

It will cut from 28 to 30 acres, or will double cut 15 acres in a day. It is drawn by two medium horses. It will move 15,000 tons of earth one foot in a day. It can be set so as to move the earth but little, or at so great an angle as to move all the earth one foot. It keeps the surface true and the machine runs true in line of draft. This cannot be said of any other disc harrows.

The Clark Cutaway Harrows will cut and reduce the toughest sod to plant food quickly without the aid of a plow. Clark's Cutaway Harrows are intense and perfect cultivators of soil and are money makers. Every crop is increased 25 to 50 per cent. by their use. 300,000 farmers are now using them. The Journal Boxes are made of hard wood, soaked in oil, and will outwear any metal. The Disks are cutlery steel and never break. We also sell Clark's Cutaway Plows.

We have the exclusive sale of these tools and have just received a car load of them. You'll make a serious mistake to buy without seeing them.

Rev. T. N. Compton, of Baltimore, came over from Owensboro Sunday and filled the pulpit at the Baptist church Sunday morning and evening for Rev. Geo. W. McPherson. His theme at the morning service was "Why God Afflicts His People." He preached to a large congregation at both services. At the morning service Mrs. Barkdale Hamlett sang "The Holy City," in obedience to a request made by pastor Millard A. Jenkins before he went away. Mr. Jenkins is now in Jerusalem and attended divine service on Mt. Calvary Sunday. Mrs. Hamlett's solo was rendered in a most pleasing manner, as she possesses a voice of rare sweetness and the most careful training.

## CONVERTED GAME And Another Double-Header May Be Played.

The schedule of the local basketball league was completed Saturday night. Company D. won the last game from S. K. C. first, the score being 21 to 17. In the series, however, S. K. C. got five of the seven games, thus winning the cup, presented by the Forbes Manufacturing Co.

The second Game between S. K. C. and the High School was won by the former, the score being 16 to 13. This game has been contested, however, and the president will decide this week who actually won. The High School boys claim that S. K. C. played two first team men, which is strictly against the rules. If the High School team gets the decision in their favor the cup, presented by J. H. Anderson & Co., will be theirs. If this game is given to the college boys the tie will have to be played off Friday night. Saturday night's double-header was witnessed by the largest crowd of the season, there being about 400 people present.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney trouble. If kidney trouble is allowed to advance the kidneys poison the blood will attack the organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

### The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

**Known Quality, Known Excellence and Known Component Parts** and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

You have a chance to breed to a horse that is a natural fast horse and is closer kin to more fast horses than any other person's horse. A real race and road horse. His colts are sure enough good ones. They have that bold, easy way of going that causes so many of the family to trot and pace in 2:03 and 2:05. Look at the year book and you can see how many have beat 2:10. Directgo is the only one of the Directors that is standing for less than \$50 a season. He is just as good and his colts will be heard from later.

I also have HAPPY HEINE. He is one of those high bred, good looking colts that can do in harness or under the saddle. Remember these horses are registered in rule No. 1. We do not have any but the best.

Directgo's fee is \$20 the season, with privilege to return. Money or note due at first service.

**J. E. McCown**

Happy Heine will be allowed ten mares at the same fee. Not responsible for accidents.

The waist is made over a fitted lining, and the open neck is filled in by a vest of eyelet embroidery. The skirt is one of the most popular of the season's models. It is shaped by seven gores, and the pattern provides for medium sweep, round and short round length. ## ECZEMA COVERED HANDS 11 YEARS

Cracked and Bleeding in Many Places—Became so Bad that Nail Came Off Finger—Tried Many Remedies and Consulted Three Doctors, but Got No Relief—Now Cured and Is Very

### PROUD OF HAVING TRIED CUTICURA REMEDIES

"I had eczema on my hands for about eleven years. The hands cracked open in many places and bled. One of my fingers was so bad that the nail came off. I had often heard of cures by the Cuticura Remedies, but had no confidence in them as I had tried so many remedies, and they all had failed to cure me. I had seen three doctors, but got no relief. Finally my husband said that we would try the Cuticura Remedies, so we got a cake of Cuticura Soap, a box of Cuticura Ointment, and two bottles of Cuticura Resolvent Pills. Of course I kept Cuticura Soap all the time for my hands, but the one cake of Soap and half a box of Cuticura Ointment cured them. It is surely a blessing for me to have my hands well, and I am very proud of having tried Cuticura Remedies and recommend them to all suffering with eczema. Mrs. Ellen A. Wiley, R. F. D. 2, Lacombe, Iowa, Oct. 18, 1906."

### ITCHING PIMPLES Resulted from Poisoning. Cured by Two Sets of Cuticura Remedies.

"My husband got a blood disease from wearing woolen underwear. He was all full of pimples, and he had awful itching. He took a good many so-called blood remedies, and nothing did him good. Then we saw in a newspaper about Cuticura Remedies, and they cured him after using in all two sets of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and now I wouldn't do without Cuticura Soap. Mrs. Harner, 1050 Banners St., Reading, Pa., Jan. 25, 1906."
